

## THE FIRST STEP TO A GREAT SCHOOL? GOAL - SETTING

A new academic year begins with painted walls, upgraded classrooms and fresh energy. But soon, challenges emerge - teachers are stretched, student progress is slow, and your Vision starts to blur. It's evident that big ideas aren't enough. Clear, shared goals turn Vision into reality.

Now's the time to move from inspiration to action - for real, measurable School Success.

### How can you turn your School's Vision into action?

#### Set SMART goals

Break down your Vision into Specific, Measurable, Achievable, Relevant, and Time-bound goals that give everyone a clear direction.

#### Align team efforts

Engage teachers and staff in goal - setting to promote ownership, build motivation, and ensure contributions across departments.

#### Track progress regularly

Use tools or trackers to monitor milestones, look for any deviation, reflect on achievements, and keep your School moving forward throughout the year.

#### Review and adjust

Have regular check - ins to reassess and adjust your plans as needed.

### Ready to plan an Academic Year with clarity and purpose?

Watch to discover how to plan your academic year efficiently and involve stakeholders better.
